Commitment

Commitment to Quality Craftsmanship

At Countryline Woodcraft, we design and build quality, solid wood kitchens, bathrooms, closets, libraries, furniture, and a lot more.

Our craftsmanship and use of quality materials and hardware ensure attractive, functional, and durable results that endure time and beautify your home or office.

Our designs cover a wide range of styles, from traditional to contemporary. This brochure shows merely a sampling of what we offer.

For more information or a free estimate, please visit our website or contact us directly.

Features

Dovetail Joints

All Countryline drawer boxes are precision crafted with dovetail joint construction to ensure lasting strength and integrity.

Retractable Shelves

Full-extension pull-outs provide easy access to deep shelves and neatly tuck away behind cupboard doors.

Drawer Inserts

One or two layer systems are available to help you make the most of your available drawer space while keeping your kitchen utensils organized.

Soft Close Hinges and Drawer Glides

Our soft-close hinge and drawer glide systems ensure a quiet, smooth and secure close every time.
